WELCOME TO COVENTRY SLIDING WARDROBES

Coventry Sliding Wardrobes is a family run business which was set up in 2012 as a manufacturer and installer of sliding wardrobe systems. Since then the company has rapidly grown and we have built up an enviable reputation as a cost effective supplier of wardrobes.

We offer the full package from Surveying, Designing, Delivery and Installation of every single job to create your experience of using Coventry Sliding Wardrobes completely stress free, with a vast amount of experience we will help you create your dream bedroom.

We can provide high quality carcassing and stunning made-to-measure doors for the bedroom and home offices. We also offer a wide selection of components including handles, lighting and storage solutions. We have recently introduced the ever popular walk in wardrobes.

We have our own production facility at our head office in Nuneaton and the popular Elegance and Galaxy ranges of sliding doors are all manufactured here in the UK to the highest of standards.

At Coventry Sliding Wardrobes we wanted to create more than just practical storage. We wanted to let homeowners make a style statement. That's why you can combine bold slabs of colour with soft suede finishes. Or mix

a deep, rich woodgrain with contemporary glass. By playing with the configuration, we've made the possibilities virtually endless.

We also place a strong emphasis on ongoing product development and are always trying to incorporate innovative designs into our portfolio.

As a valued customer we hope you decide to choose Coventry Sliding Wardrobes Ltd.

Kind Regards,
Samuel Clay
Managing Director
